

# Care & Use Guide

A simple reference for the current FryNest cookware line: gentle heat, model-specific induction checks, mild cleaning, and practical daily handling.

## Dishwasher safe

Hand wash preferred for everyday finish care.

## Oven safe up to 350F

Use oven mitts and avoid broiler use.

## Low to medium heat

Preheat gently and avoid heating empty cookware.

## Induction varies by model

Check the compatibility matrix on page two.

## Everyday care essentials

- Wash with warm water and mild dish soap before first use.
- Use low to medium heat for regular stovetop cooking.
- Wood, nylon, or silicone utensils are preferred.
- Avoid sharp metal edges, knives, and heavy abrasive cleaners.
- Let cookware cool before washing and dry thoroughly before storage.

## Stovetop and oven

- Center cookware on the burner.
- Do not allow flames or heat to extend past the base.
- Use oven temperatures up to 350F.
- Avoid broiler use and always use oven mitts.

## Cleaning and storage

- Dishwasher safe, with hand washing preferred.
- Avoid bleach, steel wool, oven cleaners, and coarse scouring pads.
- Store pieces dry and use protectors or towels when stacking.
- Avoid sudden temperature changes with glass lids and smooth cooktops.

**Tip:** FryNest models include both induction-compatible and non-induction pieces. Always confirm the model before using induction heat.

# Compatibility Matrix

A model-by-model overview for the locked FryNest SKU list.

Compatibility matrix				15 models
